EXPLANATORY NOTE

Because of increased costs of compilation and printing and because of the growth in personnel in the Foreign Service, it has been necessary to make revisions in the classes of personnel listed in the Foreign Service List.

Beginning with the issue of October 1, 1951, the List has included the following: all chiefs of mission; all Foreign Service officers; all Foreign Service Reserve officers; all Foreign Service Staff officers of class nine and above; all Technical Cooperation Administration officers of class nine and above; and certain Foreign Service Staff officers of classes ten, eleven, and twelve only when assigned to posts with a complement of one, two, and/or three officers.

This issue, January 1, 1952, includes the sections showing the posts of assignment, the consular districts, the tariff of Foreign Service fees, the index of persons, and the geographic index.

The April, July, and October issues include only the posts of assignment and the two indexes.

Only those actions received in the Division of Publications prior to the fifteenth of the month preceding the month in which this List is dated are included. This List is compiled and edited by the General Editing Branch, Division of Publications. Please report to that Branch any necessary corrections.

authority of section 1745, Revised Statutes, as amended (22 U S.C. 127[2]), shall be
d by diplomatic and consular officers and all persons connected with embassies,
ns, or consulates for official services. All charges for such services must be in
accordance with this tariff, and be collected in the coin of the United States or at its
entative value in exchange (22 U.S.C. 128[2]). For each and every fee where the repre-
ve value in exchange is collected instead of the coin of the United States, there shall
ected a sufficient amount of foreign currency to enable the officer to purchase as of
e of collection a sight draft in the amount of the fee as prescribed by this tariff payable
to the Treasurer of the United States. No fee or compensation will be collected for any
e not covered by this tariff.

ees prescribed in this tariff shall be charged or collected by officers for official serv-
American vessels or seamen (22 U. S. C. 89[2]). Undocumented vessels owned by
can citizens and vessels documented under the laws of the Philippine Islands are not
t from the payment of the fees prescribed herein. Consular agents will make the fees
ibed in this tariff for services to vessels and seamen a basis of collection from the
ıry for those services.

ees must be paid in advance and before the fee stamps are canceled, except in case of
ance out of office or of commissions where the amount cannot be determined until the
e is performed. In the latter cases the amount of the fees shall be carefully estimated,
these cases only, the estimated cost of the service shall be deposited with the officer
the service is performed, subject to refundment of any balance remaining.

EXPLANATORY NOTE

Because of increased costs of compilation and printing and because of the growth in personnel in the Foreign Service, it has been necessary to make revisions in the classes of personnel listed in the Foreign Service List.

Beginning with the issue of October 1, 1951, the List has included the following: all chiefs of mission; all Foreign Service officers; all Foreign Service Reserve officers; all Foreign Service Staff officers of class nine and above; all Technical Cooperation Administration officers of class nine and above; and certain Foreign Service Staff officers of classes ten, eleven, and twelve only when assigned to posts with a complement of one, two, and/or three officers.

The January issues of the List include the sections showing the posts of assignment, the consular districts, the tariff of Foreign Service fees, the index of persons, and the geographic index.

The April, July, and October issues include only the posts of assignment and the two indexes.

Only those actions received in the Division of Publications prior to the fifteenth of the month preceding the month in which this List is dated are included. This List is compiled and edited by the General Editing Branch, Division of Publications. Please report to that Branch any necessary corrections.

EXPLANATORY NOTE

The Foreign Service List, issued quarterly by the Department of State, is compiled as a basic aid for personnel in the Department of State and the Foreign Service, for other Government agencies, for other governments, and for groups outside of government having need of this information.

Personnel listed include the following: all chiefs of mission; all Foreign Service officers; all Foreign Service Reserve officers; all Foreign Service Staff officers of class nine and above; all Technical Cooperation Administration officers of class nine and above; certain Foreign Service Staff officers of classes ten, eleven, and twelve only when assigned to posts with a complement of one, two, and/or three officers; and a special section furnished by the Mutual Security Administration.

The January issue of the List includes the posts of assignment, the consular districts, the tariff of Foreign Service fees, the index of persons, and the geographic index.

Personnel Included

Personnel listed include the following: all chiefs of mission; all Foreign Service officers; all Foreign Service Reserve officers; all Foreign Service Staff officers of class nine and above; Technical Cooperation Administration officers of class nine and above; certain Foreign Service Staff officers of classes ten, eleven, and twelve only when assigned to posts with a complement of one, two, and/or three officers; and a special section furnished by the Mutual Security Agency.

Method of Listing Personnel

The listing of officers by post is according to salary and not according to rank except in the case of the chief of mission and/or principal officer at the post. Sections Included

The January issue of the List includes the posts of assignment, the consular districts, the tariff of Foreign Service fees, the index of persons, and the geographic index.

The April, July, and October issues include the posts of assignment and the two indexes One of these three issues each year will include a section showing the breakdown by class of certain groups in the Foreign Service.

Miscellaneous Information

Only those actions received in the Division of Publications prior to the fifteenth of the month in which this List is dated are included. This List is compiled and edited by the General Editing Branch, Division of Publications. Please report to that Branch any necessary corrections.
